

INTEGRATED SMART LOCK · HT-SLFZ3B-1

# Smart Lock

## Fingerprint

Five ways in. One secure door.

Replace a compatible Nordic door lock with a complete smart entry system. Smart Lock combines fingerprint, PIN, Key Tag, app and emergency-key access with automatic locking and built-in Zigbee 3.0.

### DESIGNED FOR NORDIC DOORS

- **Fast fingerprint access**

Unlock with one touch and register up to 39 fingerprints for trusted users.

- **Single- or multipoint ready**

Install with the supplied lock case, or configure Smart Lock for a compatible multipoint mechanism.

BLACK FINISH · FINGERPRINT SENSOR

### FIVE WAYS TO UNLOCK

## Choose what fits the moment.

Unlock directly at the door, or connect a compatible Heimgard Hub for app control.

**App**

Hub required

**PIN**

Up to 39

**Fingerprint**

Up to 39

**Key Tag**

5 included

**Emergency key**

3 included

### Up to 12 months of battery life

Three AA batteries power everyday access, with USB-C available for temporary emergency power.

## PRODUCT OVERVIEW

# A complete smart entry system.

Smart Lock combines an IP65 exterior keypad with fingerprint sensor, an interior control unit and a Scandinavian lock case. Use it locally, or add a compatible Heimgard Hub for connected control.

## ACCESS THAT FITS REAL LIFE

- **Manage family and guests**

Register up to 39 PIN codes, 39 fingerprints and 39 Key Tags, each with its own user ID.

- **Reliable backup access**

Five Key Tags and three emergency keys are included, with USB-C emergency power if batteries are depleted.

## CONNECTED WHEN YOU WANT IT

- **Ready for your smart home**

Built-in Zigbee 3.0 connects to a compatible Heimgard Hub for app control, alerts and automations.

- **Locks automatically**

Auto-Lock secures the door after unlocking and can be paused temporarily.

## Technical overview

Zigbee 3.0 · Single-point and compatible multipoint locks
